The stage is the central feature of the restaurant, which can be viewed from upstairs as well as downstairs. We can provide a large projector. A unique item situated on the backdrop of the stage which runs films, family films or any feature according to your specific needs. Your guests from every corner of Anam's magnificent banqueting hall are able to view this feature.

But that's not all, to add to the glamour of the occasion we also have a beautiful indoor lake running the length of the restaurant, which accommodates different coloured Koi Carp Fish, Sturgeon and Baby Sharks. For those seated upstairs the indoor lake can also be viewed via a balcony.
