Welcome to Anam's, an experience we hope you will enjoy. Our catering knowledge dates back to 1958, and have since sought to provide the best in hospitality and the Kashmiri cuisine. Our aim is to provide a fully contemporary and modern ambience with the same traditional taste we have been renowned for. As a family restaurant, we provide a relaxed atmosphere perfect for any occasion.

Our excellent chefs will cater for parties of all sizes. From large weddings to small birthday parties, enjoy your evening with your loved ones and leave all the hard work to us. Whatever the occasion, we hope to provide a complete service.

Since opening our doors in 2003, Anams has become a distinguished name with a strong following. We hope to build on this reputation and continue to provide you with the excellent food and service our name stands for..
